

Vision of the IQAC

Making efforts to upgrade the quality of higher education in accordance with the Quality Indicator Framework of NAAC and as a result of it, help minority community women avail the benefits of that quality education.

Mission of the IQAC

- Provide effective learning opportunities to students in order for them to realize their true potentials.
- Build global competencies among students through curricular, extra-curricular, gender empowerment, extension and outreach activities.
- Inculcate humanistic, ethical and social values in students.
- Familiarize students with state-of-the-art ICT Tools and keep them abreast of changing modern world.
- Sensitize students about the issues of environment, ecology, human rights and constitutional values.
